## 15 Amazing Spa Retreats Around the World for a Relaxing Spring Break

Because sometimes R&R sounds better than getting drunk on a beach.

### Chablé Resort

**Location:** Yucatán Peninsula, Mexico

The new Chablé Resort in the Yucatán provides the perfect setting with its ancient Mayan decor to make you feel at ease. They have curated spa treatments that allow each guest to create their own experience. There's also a flow program for relaxing and for rhythmical exploration, a balance program for purifying and de-stressing, and an inspirational program to help with human development and human connections.
