Stephen Au Updated: June 1, 2023, 8:30am CDT

Capital One recently rolled out the red carpet for its luxury and upscale hotels and resorts collection. This new collection, called the **Premier Collection**, consists of a series of partnerships with some of the most exclusive hotels in the world.

This guide is focused on the best properties that Capital One has chosen to be a part of the Premier Collection, and it's only available to cardholders of the **Capital One Venture X Rewards Credit Card**.

Let's first talk about the unique benefits you can enjoy by booking a stay at Premier Collection hotels.

Benefits of the Premier Collection

When you book a stay at the Premier Collection, you'll enjoy these benefits:

- Earn **10x Capital One miles** per dollar spent at the Premier Collection
- **Daily breakfast** for 2 people
- **Room upgrade**, when available
- Early check-in and late checkout, when available
- Complimentary Wi-Fi
- **\$100 experience credit** once per stay

Earning 10x miles on hotel stays is amazing — by our valuations, that's equivalent to earning an 18% return on spending.

The Yucatán peninsula is famous for destinations like [Cancún](#) and Riviera Maya. But if you're looking for an ultra-luxurious Mexican getaway, consider booking a stay at [Chablé Yucatán](#), a 30-minute drive from Mérida International Airport (MID).

This nature-first resort is nestled in the lush Mayan forest and occupies a 19th-century hacienda. The standard room (casita) features enormous outdoor spaces, a king-sized bed, an oversized bathroom, indoor and outdoor showers, high ceilings, and at least 2,152 square feet of **private real estate**.

The property has 3 full-service restaurants, plus a spa, gym, outdoor infinity pool, sauna, steam room, tennis courts, **Padel courts, walking trails, gardens**, and so much more.

One of Mexico's most expensive hotels, this property can easily command a price tag of more than \$1,500 per night. Expect to shell out around \$2,500 per night at a minimum during the high season. If you're lucky, you may find rooms for around \$1,000 per night on the low end.
