* Not recommended for participants under 15 years old. Available for a limited time.

DISCOVERING LA GRANJA DE ABU

Go beyond the surface in a space dedicated to fostering respect for nature. In our gardens, you will discover the life cycle of vegetables, from planting to harvest, and gather food to share with the animals. Children will explore the orchid house, where they will learn how to prepare substrate and replant tropical species.

To conclude, you will have the opportunity to meet our animals—rabbits, pigs, horses, and donkeys—and learn more about their care and behavior.

An educational and entertaining experience for the whole family.
